## Opportunity Day

## Opportunity Night (Single bed layout)

## Opportunity Night (Double bed layout)

## Opportunity variants - additional model range

The Opportunity can be built on the medium, long, and extra long chassis.

### Standard (Long)

The standard van is the 6 metre Long wheelbase as shown.

### Medium

The medium wheelbase has the bed rotated 90 degrees to sleep transversely across the van width, leaving the same kitchen and washroom arrangement whilst allowing for a shorter base vehicle.

### XL

The extra long wheelbase gains space and equipment in the kitchen area with a larger work surface next to the sink, a full height dual fuel cooker, additional storage above, a larger unit and a full height robe.
